

LINCOLN POLICE DEPARTMENT
2016 ANNUAL REPORT

A MESSAGE FROM THE CHIEF

On behalf of *YOUR* Lincoln Police Department, I am pleased to present the 2016 Annual Report for your review. The dedicated staff of the police department continued to partner with citizens, city government, area law enforcement agencies, and other stakeholders to maintain and enhance the quality of life in *OUR* community by providing high quality professional police services.

This assessment will afford you, an opportunity to better understand how the agency is currently organized as well as review the many obligations and services we are committed to providing for the residents and visitors of our city. Among the traditional pieces of information regarding statistics, we also want to share some accomplishments and honors achieved during the past year that have enhanced our ability to meet the changing environment in which we serve.

Part 1 crimes in Lincoln have continued to remain low as in recent years making our city one of the safest in the nation based on per capita comparisons. While violent crimes including homicide, rape, robbery, and aggravated assault remain infrequent occurrences, the rise in property crimes continues to offer a picture of the future in terms of challenges that will require attention in order to maintain the desired quality of life and public safety in our community.

As a highlight to this year, we saw the much anticipated hiring of the Department's first police officer in nearly two years. In addition the Department has a second police officer in backgrounds with an anticipated hiring by the new year. This is a welcomed sign, perhaps, that the economic tides are once again beginning to favor growth and progress. As we transition into 2017, we look forward to honoring the work and commitment of those in service before us that have allowed *YOUR* Lincoln Police Department to serve this great community for the past 127 years. We hope you will join us in celebrating this accomplishment as well as those who made it possible; our residents.

Timothy M. Harrigan, Chief of Police
